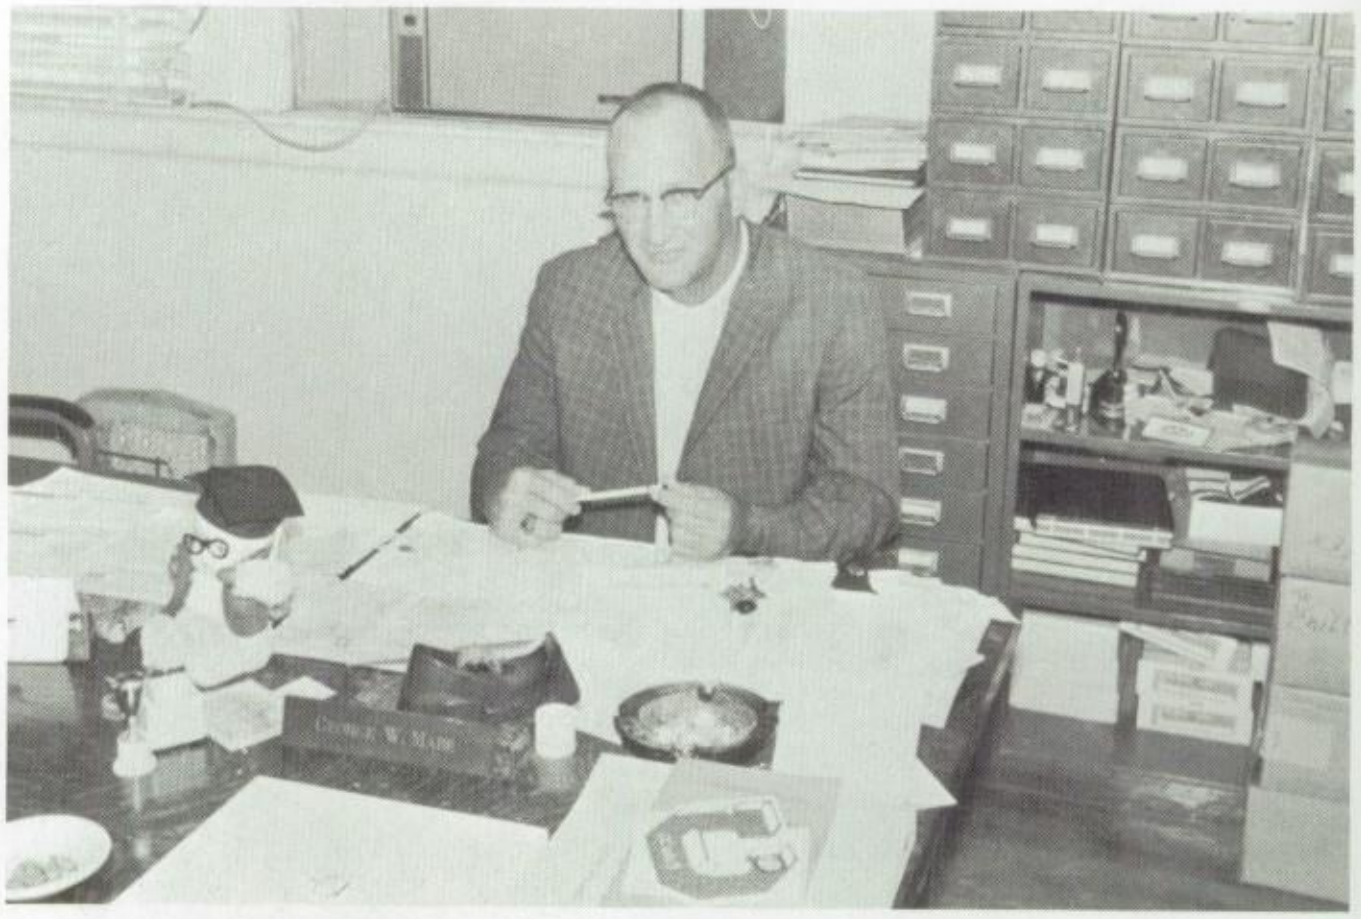
Superintendent's Message



This has been another memorable year. To each of the graduating Seniors I wish to extend my congratulations. For twelve years you have worked toward this goal, and now you are no longer children. Pursue your next goal in life with equal determination, assume your responsibilities, live a Christian life, and remember that you have and will have had, the advantages offered to you that only American citizens enjoy. Strive to keep these liberties for other generations that are yet to be.

To the annual staff - congratulations - a "cool" operation - well done, as this book testifies.

To the students returning - hard work precedes success.

To the P. T. A., Booster Club, parents, and patrons of the Chilton School system - my personal thanks for your cooperation in helping us achieve our common goal - a better school, better citizens, and a better community.

Sincerely,

George W. Mabe, Supt.

Principal's Message

It is my privilege through this yearbook to extend my personal congratulations and best wishes to the class of 1968. It is my sincere desire that all of you continue to uphold the high ideas of your school and that you become good citizens of your community and nation. My best wishes for your continued success go with you.

To the faculty and the student body who have helped to make this school year a pleasant and profitable one.

My Thanks,

Bob Sizemore

CLASS SONG:

He can turn the tides and calm
the angry sea.
He alone decides who writes a
symphony.
He lights every star that makes
our darkness bright.
He keeps watch all thro' each
long and lonely night.
He still finds the time to hear
a childs first pray'r.
Saint or sinner call and always
find Him there.
Though it makes Him sad to see
the way we live,
He'll always say: "I forgive."
